

Junior Programs

Below is a listing of the VSGA's junior programs, and ways you can help us support the future generations of golfers!

JUNIOR GOLF CIRCUIT

For \$55, juniors ages 5-18 of all playing abilities can compete in 9-, 18-, and 36-hole events, all with competitive entry fees, across the state. Member benefits include a Handicap Index®, event access, complimentary Youth on Course membership, player bag tag and gift, and more.

Your support will help us to continue to provide a robust event schedule, keep entry fees low, add member benefits, and continue to offer competitive opportunities to aspiring young golfers.

VSGA-VIP SCHOLARSHIPS

The VSGA-VIP Scholarship Foundation awards college scholarships annually to high school seniors in Virginia with an interest in golf. A portion of all VIP Card sales support the Foundation's scholarships.

The Foundation needs your help to increase the number of scholarships awarded each year while raising the amount awarded per scholarship. Additionally, individuals or organizations have the opportunity to establish a named scholarship award. To create a legacy for someone or something you are passionate about, commitments start at \$5,000 for five years and may last up to a lifetime!

MILITARY INITIATIVES

The VSGA is committed to supporting active duty and retired military families in Virginia. Your support can help to fund our VSGA Military Scholarship (awarded each year to a Virginia military dependent) as well as our Youth on Course Stars and Strips program, which provides free Youth on Course memberships to military dependents.

YOUTH ON COURSE

The VSGA partners with Youth on Course, a 501(c)(3) non-profit organization that provides youth with access to life-changing opportunities through golf.

Through Youth on Course, juniors ages 6-18 are able to play at participating courses across the U.S., Canada, and Australia for just \$5 or less per round. The VSGA then subsidizes those rounds played to provide additional financial support to participating clubs.

Help us to continue the mission of Youth on Course by reducing the financial barriers for young golfers! We aim to add more participating courses throughout Virginia, continue to grow our membership, and subsidize more rounds each year.

FLEMING FUND

The Fleming Fund is dedicated to promoting and growing junior girls golf. The VSGA works with First Tee chapters across Virginia to offer grants to cover the costs for junior girls ages 12-18 to attend a golf camp.

This year, we will be sending 16 girls to Williamsburg National in July, as well as providing funding for advanced junior girl golfers to attend the Nike Golf Camp at UVA. Help us grow these numbers for the future!
