Advice may be given anytime on the course except on the green, where coaches will not be permitted. Swing demonstration and shot alignment will also be prohibited by the coach. Coaches whose players fall out of position when competing in an event in which the VSGA Pace of Play system is in effect will only be allowed to give advice from green to tee, and only when all balls of all players in the group are no longer in play. Once players are back in position, coaches will regain their full advice privileges. Advice is to be given in a private manner that does not unduly delay play. The penalty for breach of conditions by a player is a two-stroke penalty, by a coach is two-strokes added to his/her team's score.

PACE OF PLAY: Players are expected to play in accordance with the Pace of Play guidelines below. The first group is "out of position" if they are behind the indicated times. Note: A group that is clearly playing at a pace that is slower than other groups in the field may be deemed by the Committee to be deemed "out of position" even if it is within the allotted time.

Pace of Play Penalties - Each player in the group is expected to play any stroke within 40 seconds after timing of the stroke begins. A bad time will result in a warning to that player. A second bad time will result in a one-stroke penalty. A third bad time will result in a two-stroke penalty. A fourth bad time carries a disqualification penalty. During a round all bad times will be carried over to subsequent timing periods.

The allotted time is 4 hours and 36 minutes.

SCORECARDS/SCORING AREA: All players and markers will certify scores in the scoring area after the round. Once all the scorecards are confirmed, the official will enter the scores into Golf Genius and mark the group completed.
